

29th FV Lions Club

Annual

Golf Tournament

Planning is well underway for the 29th Annual Golf Tournament. All we are missing is you! Do you enjoy helping others in the community, individually or through a group? If so, consider joining our Fuquay Varina Lions Club! We are looking for folks interested in becoming:

- **KidSight testers,**
- **Working with our recycling program,**
- **Developing various social media applications,**
- **Enjoy outreach with various groups and programs,**
- **Wanting to SERVE others in our community.**

The Fuquay Varina Lions Club is sponsoring our 29th Annual Golf Tournament on Monday, April 28, 2025. This event will take place at Bentwinds Country Club.

Our Club was chartered in 1941. Since 1941, we have raised over \$1.3 million. 100% of the Golf Tournament net proceeds are used to help the blind and visually impaired, hearing impaired, childhood cancer, diabetics, scholarships and KidSight Screening. **The primary goal of our Club and Foundation is preventable blindness.**

We give many thanks to all the golfers, hole sponsors, and ad sponsors who have participated in our Golf Tournament fundraisers. With your help, our Lions Club was able to contribute \$5,000 to Samaritan's Purse to assist Hurricane Helene victims in western NC.

We hope you will support one or more of these very worthwhile efforts and thank you for your consideration and continued support.

Respectfully,
Fuquay Varina Lions Club
